

CURRICULUM VITAE

PERSONAL INFORMATION

Full Name: Ala Hassan A. (Gazal) Qamheya.

Birth Date: 27th Feb 1985.

Gender: Femal

Languages: English, Arabic, Turkish.

E-mail address: daag_1985@yahoo.com/ a.qamheya@gmail.com

Phone number: TR 09-05389823108

PL 2345346

OBJECTIVE

To have a promising career in a highly reputable institution where I can utilize my Knowledge and clinical experience to fulfil the institution vision, mission and objectives.

EDUCATION

- Bachelor Degree in "Dental Surgery", with an "Honor" and general point average GPA of 3.84 and Excellent standing in 30th June, **2008** from the Arab American University, Jenin-Palestine.
 - PhD Degree in "Oral Implantology" with GPA of 3.2, in 03 March **2018** from Istanbul University, Istanbul-Turkey.
-

EXPERIENCE

- **2008-2009**: Internship Program in Rafedia Hospital and Alrahma medical center /Nablus, the objectives of this program are to strengthen the clinical experience and create up-dated environment that support the diagnostic skills.
- **2009-2011**: Working at private clinic, Palestine, Nablus.
- **2012-2018**: PhD program in Istanbul University, Faculty of Dentistry, Oral Implantology

Department, the objectives of this PhD program are to treat implant patients based on the prosthetic goal, augment the bone in order to place implants in the ideal position, treat prosthetic complication and peri-implantitis, create posters and articles for the treated cases, up-date the academic medical knowledge by lectures and seminar that are harmonizing with clinical work, and to create scientific meeting that is the raw material for successful treatment of oral disease.

CONTRIBUTIONS

Participated in the

- 1- 6th International Palestinian implant congress, Palestine, 7-8 Nov **2019**.
- 2- Springer Nature Author Workshop, Istanbul University. 29 March **2018**.
- 3- One day discussion about the management of the atrophic posterior maxilla and posterior mandible; management of the esthetic zone; from immediate implantation to 3D augmentation in atrophic pre-maxilla. 17 Feb. **2018**. Istanbul- Turkey.
- 4- Turkish Society of Oral Implantology XXIX. International Scientific Congress, Çırağan Palace Kempinski Istanbul. 12-13 January **2018**, Istanbul- Turkey.
- 5- International Dental Congress. 21-24 SEP. 2017. Istanbul- Turkey.
- 6- Turkish Society of Oral Implantology XXVIII. International Scientific Congress, Çırağan Palace Kempinski Istanbul. 13-14 January **2017**, Istanbul- Turkey.
- 7- International Osteology Symposium Monaco conference, Monaco, France 2016.
- 8- Turkish Society of Oral Implantology XXVII. International Scientific Congress, Çırağan Palace Kempinski Istanbul. 15-16 January **2016**, Istanbul- Turkey.
- 9- Greatist 2016 International Congress of Dentistry, 28-30 Oct **2016**, Istanbul- Turkey.
- 10- Digital Solutions in Oral Implantology, 26 Nov. **2016**, Istanbul- Turkey.
- 11- A day with Prof. Dr. Stefan Renvert: Diving into Peri-Implantitis. 10 OCT **2015**, Istanbul- Turkey.
- 12- Turkish Society of Oral Implantology XXVI. International Scientific Congress, Raffles Hotel Istanbul. 16-17 January **2015**, Istanbul- Turkey.
- 13- One day course "Thinking in New Box" with Prof. Dr. Hugo De Bruyn. May 09th **2015**. Istanbul- Turkey.
- 14- 7th International conference of Istanbul University, Faculty of Dentistry. 19-22 NOV **2014**. Istanbul- Turkey.
- 15- Turkish Society of Oral Implantology XXV. International Scientific Congress, Four Seasons Hotels. 17-18 January **2014**, Istanbul- Turkey.
- 16- Biology Behind Immediate Implant Dentistry with Dr. Jaime Jimenez Garcia. 24th of May, **2013**, Istanbul- Turkey.
- 17- Turkish Society of Oral Implantology XIth International Scientific Joint Symposium. Club Med Palmiye- Kemer, 9-14 June **2014**, Antalya/Turkey.
- 18- Thommen Day "How Much Effort is Needed to Achieve High Quality Results When Replacing Implants in the Aesthetic Zone" 28 June **2013**, Istanbul-Turkey.

- 19- 6th International conference of Istanbul University, Faculty of Dentistry. 21-23 NOV **2013**. Istanbul- Turkey.
- 20- All on 4 Concept with Dr. Wolfgang Bolz. May 11, **2013**. Istanbul- Turkey.
- 21- The third dental conference and exhibition of the north, 24-25 March **2011**, Nablus- Palestine.

COURSES

- 1- Hands on course on advanced hard tissue augmentation using Piezoelectric bone surgery, autologous concentrated growth factors and sticky bone, Prof. Dr. Dong-Seok Sohn, Daegu Catholic University 6-7 May **2018**, Istanbul-Turkey.
- 2- Hands on course on advanced soft tissue surgery, Prof. Dr. Korkud Demirel, 15-16 Dec. **2017**, Istanbul- Turkey
- 3- Theoretical and practical medical esthetic course program, Dr. Eleftheria Gliarmi, 20-21-22 Oct. **2017**, Istanbul- Turkey.

INTERNATIONAL ORAL PRESENTATION

- Volkan ARISAN, Ala QAMHEYA, Ayşe S. AKAY, Cüneyt KARABUDA. Computer-assisted non-invasive implant surgery and immediate loading therapy for advanced chronic periodontitis patient, case presentation. Turkish Society of Oral Implantology XIth International Scientific Joint Symposium. Club Med Palmiye- Kemer, 9-14 June **2014**, Antalya/Turkey.
- Ala Qamheya. Toward minimizing complications in oral implantology, Palestinian dental association. 19 Apr **2019**. Golden tree hotel, Nablus, Palestine.
- Ala Qamheya, Criteria of implant selection, Prosthodontic and surgical consideration. 5 Jul **2019**, Nablus, Palestine.
- Ala Qamheya, Volkan Arisan, The Effect of the Topographical and Chemical Characteristics of Dental Implant Surface on The Osseointegration, Turkish Society of Oral Implantology congress XXXI, Çırgan palace Kempinski hotel 11 January **2020**, Istanbul, Turkey.

SKILLS

- Skilled in Microsoft Office Program and Macintosh Pages, Keynotes.

- Time managements.
- Project Scheduling.
- Ability to work under pressure.
- Teamwork.
- Communication.
- Writing.
